In the Name of God

Dear Mr. Ahmad SALIMI (Eng.)

MAVARA, as a project for implementation of value engineering in the Ministry of Road and Transportation, has been a successful effort to demonstrate on effective performance of value engineering in this ministry.

It is the result of efforts by capable personnel who have tried to increase value of plans and development of value orientation culture within this ministry through their belief in these efforts and utilizing of the value oriented efficiency.

Therefore, we do hereby appreciate your efforts as the best participant of MAVRA in the area of consultants due to your effective presence in this project and wish your further success in the area of value engineering.

Signed: Mohammad Rahmati-Minister of Road and Transportation
